# President's Message

On behalf of the Surrey Festival of Dance Committee, we extend heartfelt thanks to our hard working SFD Team, fantastic volunteers and all our competitors at the 55th annual dance competition. Congratulations to all the winners, the competitors and the dance studios who worked so hard and took the time to enter this year's event!

While the festival was virtual to keep our dancers, adjudicators and volunteers safe, it is with great anticipation participants will dance 'live' at the 56th SFD - next year. Of course, none of this would happen without all our sponsors, scholarship donors, advertisers and members that stayed with us despite COVID-19 lockdowns and protocols! We appreciate everyone, and know that dance will always endure even during the most challenging of times!

We remind dancers, between the ages of 15 and 21, to participate in the 'Future Achievement Scholarship Program'. Designed to financially assist dancers in their endeavours to find a career in dance, application forms & rules can be obtained from our office ([info@surreyfestival.com](mailto:info@surreyfestival.com) | 604.585.3320) or website ([surreyfestival.com](http://surreyfestival.com)). Surrey Festival of Dance was especially excited to announce a new 'Performance Support Grant (PSG)' for the 2022 competition. This grant was set up to help studios offset the cost of producing competition videos and was a huge success!

It has been my pleasure to serve as your President during this time and I encourage everyone to sign up as a volunteer, participate on the board or simply become a member. The opportunity is very rewarding and our competitive dancers appreciate everything we do to make this festival the best!

*"Life isn't about waiting for the storm to pass. It's about learning to dance in the rain."*
