President's Message

Welcome to the 57th Annual Surrey Festival of Dance. We are live!!! On behalf of the Surrey Festival of Dance Committee, we extend heartfelt thanks to our hard working staff, fantastic volunteers and all our competitors at our annual dance festival. We congratulate all the winners, the competitors and the dance studios who continue to work hard and take the time to participate in this year's event!

Of course none of this would happen without all our sponsors, scholarship donors, advertisers and members that continued to support our festival. Once again we show that dance will always endure during challenging times and come back even stronger when returning to a live event!

We remind dancers between the ages of 15 and 21 to participate in the Future Achievement Scholarship Program. A program designed to financially assist dancers in their Endeavour's to continue their career in dance. Application forms & rules can be obtained from our office or on our website (surreyfestival.com).

As always it is my pleasure to serve as your President. Now that we are live I encourage those who love dance and those that want to learn about our festival to sign up as a volunteer, participate on our Board or simply become a member. We are looking for a new generation of talented organizers and volunteers to experience a rewarding time with our competitive dancers who appreciate everything we do to make this festival the best! For over 57 years, the Surrey Festival of Dance Society organization has continued to provide opportunities for all ages and experience to participate in our events.

"I do not try to dance better than anyone else. I only try to dance better than myself." Mikhail Baryshnikov.

Cheers,
